

UNIVERSITY OF WISCONSIN- WHITEWATER

Christian Organizations

2020-2021

Therefore, if there is any encouragement in Christ, if there is any comfort of love, if there is any fellowship in the Spirit, if there is any compassion and sympathy, ²then fill me with joy by having the same attitude, sharing the same love, being united in spirit, and keeping one purpose in mind.

~ Philippians 2:1-2 ISV

*Everyone is
Welcome!*

Welcome to UW-Whitewater

College is an important time of growth, exploration, discovery and learning. It can also be a difficult and challenging time. The Christian Organizations at UW-Whitewater all exist to help support and encourage students during that time. The organizations represent a variety of denominations and theologies, but all are open to people of any background who would like to explore the person of Jesus Christ and what he means to them. All the groups offer a variety of fun events, Bible studies, worship opportunities, and fellow-

ship and service activities. From free meals to stretch your budget to challenging studies to stretch your mind, the Christian organizations at UW-Whitewater want to help you survive and grow during your time here. Whether you need a volunteer service opportunity or just a listening ear, we are here to help. Whether you are an active Christian or just want to know more, there is something here for you. Check out some of the many things going on and make your time here at UW-Whitewater both memorable and life-changing.

Ignite Ministry & Bible Study

The mission of IGNITE is to bring the truth of Jesus Christ, and to share the expression of His love to the campus community and the culture around us. We as members recognize our dependence upon Christ daily and recognize that students' life with Christ is a lifelong process and not something that is immediately attained. Our hope is to reach a culturally diverse population, with an emphasis on producing leaders of African descent who are spiritually focused, financially responsible and morally fit.
